

Our 'My Choice' homework

2nd March to 4th April

For this half terms homework please choose 1 of the activities from the choices below.

Our topic theme is titled Happily Ever After and is all about different fairy tales. All of the 'My Choice' activities are linked to this topic. This should be done alongside the weekly spellings, mental maths activities and Phonics Bug Club reading activities. Also a reminder that reading should be done at home at least 3 times each week. The 'My Choice' homework need to be brought back to school by Monday 4th April. We are really looking forward to seeing what you have done.

Thank you, Miss Jones and Mrs Bedford.

Choose 2 of the following activities.

- Write your own magic spell. What will it do?
- Use 2D shapes to create a fairy tale forest or a castle from a fairy tale.
- Create a new villain for a fairy tale. Can you draw what they will look like? Can you describe what they are like in a sentence?
- Can you research the origin of a particular fairy tale?
- Create a fairy tale characters' clothes. For example, Little Red Riding Hood's cloak in different shades of red through colour mixing with paint or collage.
- Write a new fairy tale called 'The Little Dog and The Old Black Cat'.

Please remember that these activities are in addition to practising your spellings, mental maths and reading. We want you to enjoy all these fun activities but it is important to do the others as well.
