Witherley C.E. Primary School – ICT Use: A Guide for Parents

At Witherley C.E. Primary School, we use technology to support learning. Here's what you need to know:

 Equipment
- Children must treat all devices with care.
- Damaging or changing equipment/software is not allowed.

 Printers
- Pupils are taught to press 'print' once and wait patiently.

 Internet Safety
- Internet access is filtered and monitored.
- Children are supervised online and taught how to stay safe.
- No chat rooms are allowed.

 Email
- Sometimes used for school projects under supervision.

 Learning Platforms
- Sites like Times Tables Rockstars, scratch,istopmotion, tinkercad, turtle logo and codu are used.
- Only Witherley pupils and staff may access them.
- Passwords must be kept private.

 Passwords
- Children receive simple, memorable passwords.

 Mobile Devices
- Phones, smartwatches, and similar devices should not be brought to school.
- Inappropriate content must be reported to staff immediately.

Thank you for helping us keep our school a safe and respectful place for digital learning!
